Dear Potential Sponsor,

I am writing you about a sponsorship opportunity with the 2025 Dothan Adolescent Community Youth Advisory Council (DAC YAC). DAC YAC was created in 2022 through the efforts of local pediatricians and adolescent medicine providers who saw the need for a youth-led health initiative. We provide a platform for adolescents and young adults to discover health issues relevant to them and their peers, advocate for change, and learn how to take personal responsibility for their own health and healthcare so they can make a seamless transition to medical care as they enter adulthood. Each year, a group of young adults ages 15-24 from the Wiregrass area meets twice a month to learn about healthcare topics and create a service project that benefits their community.

This year's group has chosen DAC YAC Trivia Night, a fun-filled community event that combines competition, entertainment, and opportunity. Teams of 4 will register to compete in trivia, with the winning team receiving a scholarship. Between trivia rounds, attendees can enjoy upbeat music, food trucks, or participate in rounds of bingo, with winners receiving door prizes generously donated by local businesses. The night will be filled with energy, connection, and the chance to invest directly into the lives of our local youth.

Below are the details about the 2025 Sponsorship Levels:

- **\$2,500 Presenting Sponsor (One Sponsor Slot Available)**
- **\$750 Projection Screen Sponsor (Two Sponsor Slots Available)**

If your organization would like to participate in this year's event as a sponsor, please complete the enclosed sponsorship form and return it before **April 17, 2026**.

Thank you for considering this opportunity to partner with us. Together, we can provide an unforgettable evening while making a lasting impact on adolescents and young adults in the Wiregrass community.
